The Single Gospel 2015-09-17 by writing this book i hope to minimize the questions in people s minds where there are misgivings interpretations traditions rites and rituals that may have left them questioning their relationship with god after they came to know him as i searched god s word i found many answers that brought understanding of jesus teachings these simple plain easy to understand principals opened my eyes i have tried to portray the greatest gift we will find in our searching the bible is a heavenly father that will never leave us nor forsake us but will be with us to give his love wisdom and understanding of our life s questions i hope to convey that he is the rewarder of those who diligently seek him the height and depth of his word is without measure and have found there is no private interpretation of his word these writings tell that there is a blessing when we have it settled in our thinking of who we are who we want to be and how to achieve that goal when one breath away is read there will never be any condemnation nor discrimination only peace every truth presented is rooted and grounded in god s word the more we study his word the greater we find his grace and his freedom for his children i want others to find god s words are alive and we find his words will never return void his words speak to each one of us just where we are in our faith we are all reared in different beliefs his word covers each one of us wherever we are god not only will reach out his hand to you but will gently lead you with his love his truths are easily entreated and enriches our spirit his word settles it in our heart and mind that we can please our heavenly father

One Breath Away! 2020-06-05 here professor hengel argues with a wealth of documentation that the traditional views of the origin and tradition of the gospel of mark have far more to be said for them than has been usually allowed by modern new testament scholars he argues that the tradition contained in the gospel is that handed down by peter through mark and that the gospel was written in rome in ad 69 the famous note by papias quoted in eusebius church history is not to be dismissed but has every appearance of being reliable further evidence in support of this view can be found in a detailed consideration of the titles of the gospels which must have been attached to the gospels at a very early stage if only to identify them an appendix by the distinguished classical philologist wolfgang schadewaldt on the reliability of the synoptic tradition is used to add further weight to the case with his customary learning professor hengel has produced a powerful argument which those who have held more radical views than his own will have to consider very carefully indeed if they are to continue to carry conviction

One 2012-07-23 from the introduction it has been said that if the new testament is like a ring then romans is like the diamond atop the ring it is a precious book and even more so in relation to paul s other epistles if we have never read experienced or obtained the spiritual reality in romans then all of paul s other epistles will be like closed doors to us romans has a high value for us today and is the foundation for the rest of paul s epistles ever since the apostle paul wrote his epistle to the believers in rome it has served as a starting point for millions of christians who desire to understand god s full plan of salvation a plan expressed in the phrase the gospel of god yet despite paul s marvelous statement in the first chapter that this gospel is the power of god for salvation many struggle to understand the gospel to see it as relevant in their own life and to daily experience such saving power in this three volume commentary titus chu walks us verse by verse through romans with the goal of bringing us into a vibrant relationship with jesus christ who is the gospel himself and with other believers in a local church life throughout his commentary he examines how our interactions with the gospel powerfully affect and transform us according to the will of god following the apostle paul s train of thought titus chu examines how each verse fits within the broader context of paul s progression from justification to sanctification glorification and transformation for a daily church life seasoned with illustrations drawn from the author s wealth of experiences in serving the lord among many local churches these volumes provide applications for the breadth of our christian experience our inward experience of the gospel appreciation for god s sovereignty and healthy functioning as members of the body of christ about volume one this volume covers romans 1 1 to 5 11 in three sections section one the gospel of god

section two condemnation section three justification

The Gospel of the Holy Twelve 2018-09-03 matthew ends the silence of four hundred years between malachis prediction and the declaration of the introduction of jesus israel was under the mastery of the roman empire no man of the place of david had been permitted to sit on the position of royalty for a long time presently the quiet is broken and the coming messiah pronounced the book of matthew trails the old testament and is start of the new it is the interfacing joined between the books it is composed for the jews and it is fittingly set it underestimates that the course of occasions is known to its perusers the old testament had shut with the picked country searching for their long guaranteed king their messiah matthews gospel demonstrates that jesus was that king that messiah it is the gospel of satisfaction matthew exhibits the lord jesus in an unmistakably jewish relationship just in this one of the four gospels do we discover a record of the messiahs assertion i am not sent but rather unto the lost sheep of the place of israel matt 15 24 what did his own kin do with him see john 1 11 in numerical position the book of matthew is the fortieth in the ordinance thirty nine books in the old testament then matthew forty is dependably various testing or probation in scripture jesus was enticed of the villain for forty days israel was in the wild for forty years david was the best for forty years moises was in a royal residence for forty years then on the rear of a leave for a long time in this fortieth book of the bible israel is in the place of probation and testing by the nearness of the messiah in their middle jesus christ is displayed as king to the jews and they dismiss him as their messiah as well as their savior matt 16 21

Tractates on the Gospel of John 1–10 (The Fathers of the Church, Volume 78) 2010-04 for years christians have told new believers to begin reading the bible with the gospel of john but without a good

study companion for the new believer the fourth gospel might be a little overwhelming finally there is now a daily devotional of the beloved gospel with new believers specifically in mind this basics for believers study will inspire and encourage all believers no matter where they are in their christian journey this seven week journey consists of 98 devotionals which author timothy mckeown has written and rewritten for more than thirty years and yet the inspired word of god never grows old the gospel of john is the deepest of all of the gospels and perhaps the most contemplative of all of the books in the new testament this devotional book is designed for new believers and young disciples to dig deeply into the most reflective of the four gospels matthew mark and luke tell what jesus did but the primary concern of john the disciple whom jesus loved is to tell what jesus taught and why the beloved apostle only included a few of the miraculous signs which jesus performed but each one is strategically included for one primary purpose but these are written that you may believe that jesus is the christ the son of god and that believing you may have life in his name john 20 31 nkjv from the beginning my desire has always been for new believers to study this amazing story of christ on a daily basis in short devotionals of 500 words or less explains pastor tim mckeown who began writing these lessons as a young youth pastor in seminary i have also put some things in this devotional that i hope will inspire the more mature christian my goal is to help new believers grow and for the seasoned believers to grow deeper from this enlightening gospel the bible and especially the gospel of john is as unfathomable as the ocean s depths where scientists may never cease to explore but also as inviting as the coastal shore where even the smallest of children may play the apostle wrote this gospel as the sole surviving apostle with a purpose as straight and strong as the master he first met when he was a young fisherman that purpose was that readers and hearers of the gospel would place their trust squarely in and on the lord jesus christ for their eternal life john even defines what eternal life is by quoting jesus who prayed in john 17 3 now this is eternal life that they know you the only true god and jesus christ whom you have sent niv if you are ready to grow deeper to have that eternal life let us walk together through this gospel journey one day at a time and learn the depths of eternal life that is knowing god and jesus christ may this devotional book be as much of a blessing to you as the gospel of john has been to so many over the years

The Gospel According to Mark, Part One 2020-07-15 the publication of the king james version of the bible translated between 1603 and 1611 coincided with an extraordinary flowering of english literature and is universally acknowledged as the greatest influence on english language literature in history now world class literary writers introduce the book of the king james bible in a series of beautifully designed

Love in the Gospel of John 2013-11-19 that there are four canonical versions of the one gospel story is often seen as a problem for christian faith where gospels multiply so too do apparent contradictions that may seem to undermine their truth claims in gospel writing francis watson argues that differences and tensions between canonical gospels represent opportunities for theological reflection not problems for apologetics watson presents the formation of the fourfold gospel as the defining moment in the reception of early gospel literature and also of jesus himself as the subject matter of that literature as the canonical division sets four gospel texts alongside one another the canon also creates a new complex textual entity more than the sum of its parts a canonical gospel can no longer be regarded as a definitive self sufficient account of its subject matter it must play its part within an intricate fourfold polyphony and its meaning and significance are thereby transformed in elaborating these claims watson proposes nothing less than a new paradigm for gospel studies one that engages fully with the available noncanonical material so as to illuminate the historical and theological significance of the canonical

Commentary on the Gospel of John: Bible Study Notes and Comments 2018-12-25 the best evidence that this book characterizes the spirit of buddhism correctly can be found in the welcome it has received throughout the entire buddhist world it has even been officially introduced in buddhist schools and temples of japan and ceylon the eminent feature of the work is its grasp of the difficult subject and the clear enunciation of the doctrine of the most puzzling problem of tman as taught in buddhism so far as we have examined the question of tman ourselves from the works of the southern canon the view taken by dr paul carus is accurate and we venture to think that it is not opposed to the doctrine of northern buddhism
