engaging activities with reproducibles rubrics and everything you need to help students get the most out of their independent reading

Drawing Dungeon Creatures

2010-08-01

in this must have for anyone who wants to better understand their love life a mathematician pulls back the curtain and reveals the hidden patterns from dating sites to divorce sex to marriage behind the rituals of love the roller coaster of romance is hard to quantify defining how lovers might feel from a set of simple equations is impossible but that doesn't mean that mathematics isn't a crucial tool for understanding love love like most things in life is full of patterns and mathematics is ultimately the study of patterns from predicting the weather to the fluctuations of the stock market the movement of planets or the growth of cities these patterns twist and turn and warp and evolve just as the rituals of love do in the mathematics of love dr hannah fry takes the reader on a fascinating journey through the patterns that define our love lives applying mathematical formulas to the most common yet complex questions pertaining to love what's the chance of finding love what's the probability that it will last how do online dating algorithms work exactly can game theory help us decide who to approach in a bar at what point in your dating life should you settle down from evaluating the best strategies for online dating to defining the nebulous concept of beauty dr fry proves with great insight wit and fun that math is a surprisingly useful tool to negotiate the complicated often baffling sometimes infuriating always interesting mysteries of love

Crafting with Recyclables

2013-08-01

one bored kid two exasperated parents a collection of favorite activities presented by zany animals in this little book kids can choose a calm or active idea and enlist parents and caregivers in the fun activities are designated red or blue so parents can set the guidelines and let kids do the choosing with each activity lasting only around 15 minutes you're sure to be able to carve out the time to make lasting memories with your child 2nd edition features full screen
