Personal Rule in Black Africa 2022-05-13 motivated by on the ground experiences during indonesia s period of political turmoil in the early 2000s following the collapse of the suharto regime this book systematically explains the structure of the suharto regime while revealing its political dynamism the primary goal is to account for the transformations that suharto s personal rule underwent during 30 years in power and explain its end the book focuses on the personal rule system that suharto employed analyzing its transition and collapse in a groundbreaking thesis that draws on archival materials from major political institutions as well as interviews with some of the key political protagonists the concept co opting type personal rule is proposed to address the following questions what concept can best capture the suharto regime and the diverse array of personal rule systems and better explain the characteristics of each type how can we analyze personal rule regimes that end in relatively peaceful transitions rather than revolution or violent coup thesis series kyoto area studies on asia vol 24 subject asian studies indonesian studies politics

The End of Personal Rule in Indonesia 2015 african states are not in any real sense capitalist states elsewhere the state has played a crucial role in facilitating capitalist expansion but in postcolonial africa one finds a form of neopatrimonialism personal rule that introduces a variety of economic irrationalities productive economic activities are impeded by the political instability systemic corruption and maladministration associated with personal rule in extreme cases a downward spiral of political economic decline is set in motion that is difficult to halt and reverse is personal rule simply a euphemism for ineptitude and mismanagement the authors argue that it is not it operates according to a particular political rationality that shapes a ruler s actions when in the absence of legitimate authority he is confronted with the challenge of governing an unintegrated peasant society neopatrimonialism is essentially an adaptation of colonial inspired political institutions to peculiar historical and social conditions this book focuses on the political factor as an important cause of africa s economic ills it analyses the social conditions impelling political adaptation and the consequences of personal rule for economic life and surveys creative responses to the predicament african people now face

The Politics of Africa's Economic Stagnation 1985-11-29 niger a landlocked former french colony in the heart of west africa is a rich ensemble of african societies struggling to survive as a new nation in one of the world s most difficult ecological regions the sahel dr charlick sketches the emergence and history of niger showing how its component societies were influenced by changes in the physica

Niger 2019-05-20 this book based on a fresh understanding of scottish governmental records rooted in extensive archival research offers the first study of these important institutions in a period of revived royal authority the regime which emerges from these records is one which understood the power of consultation adroitly using a range of groups from full parliaments to conventions of specialists and experts selected to deal with the matter in hand policies were crafted through not one single meeting but several types of gathering ranging from small groups when secrecy was of the essence or complex details required to be hammered out to elaborate large gatherings when the regime employed a performative strategy to disseminate information or legitimise its policies still more impressively much of this was managed in the king s absence james remained at a distance from many of these gatherings relying on key officials such as the chancellor or clerk register to relay counsel and the royal will this emphasis on specialised frequent consultation reflects concurrent developments in the council whilst relocating debate surrounding the development of state and administrative structures in scotland traditionally located in the late sixteenth century into the 1530s in tackling the development of parliament in scotland and placing it in its proper context amongst many different forms of consultative meeting this book also speaks to subjects of european wide concern how far early modern parliaments were used to impose or resist religious change the pace of state formation monarchical power and relations between monarchs and their subjects

Parliament and Convention in the Personal Rule of James V of Scotland, 1528-1542 2022-02-17 this title is part of uc press s voices revived program which commemorates university of california press s mission to seek out

and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1982

Ship Money During the Personal Rule of Charles I 1990 the first in a ground breaking two volume history of henry iii s rule professor carpenter is one of britain s foremost medievalists no one knows more about henry and a lifetime of scholarship is here poured out elegantly and often humorously this is a fine judicious illuminating work that should be the standard study of the reign for generations to come dan jones the sunday times nine years of age when he came to the throne in 1216 henry iii had to rule within the limits set by the establishment of magna carta and the emergence of parliament pacific conciliatory and deeply religious henry brought many years of peace to england and rebuilt westminster abbey in honor of his patron saint edward the confessor he poured money into embellishing his palaces and creating a magnificent court yet this investment in soft power did not prevent a great revolution in 1258 led by simon de montfort ending henry s personal rule eminent historian david carpenter brings to life henry s character and reign as never before using source material of unparalleled richness material that makes it possible to get closer to henry than any other medieval monarch carpenter stresses the king s achievements as well as his failures while offering an entirely new perspective on the intimate connections between medieval politics and religion

Personal Rule in Black Africa 2022-05-13 the first in a ground breaking two volume history of henry iii s rule from when he first assumed the crown to the moment his personal rule ended nine years of age when he came to the throne in 1216 henry iii had to rule within the limits set by the establishment of magna carta and the emergence of parliament pacific conciliatory and deeply religious henry brought many years of peace to england and rebuilt westminster abbey in honor of his patron saint edward the confessor he poured money into embellishing his palaces and creating a magnificent court yet this investment in soft power did not prevent a great revolution in 1258 led by simon de montfort ending henry s personal rule eminent historian david carpenter brings to life henry s character and reign as never before using source material of unparalleled richness material that makes it possible to get closer to henry than any other medieval monarch carpenter stresses the king s achievements as well as his failures while offering an entirely new perspective on the intimate connections between medieval politics and religion

Henry III 2020-07-14 laudianism was both a way of being christian and a political ideology this definitive account of this intensely controversial movement explores how it helped cause the english civil war but over the long term provided one of the visions of the national church one that has been in contention to define anglicanism ever since

Henry III 2020-05-01 in this practical workbook stephen a macchia looks to st benedict as a guide for discovering your rule of life it takes time and effort you must listen to god and discern what he wants you to be and do for his glory but through the disciplines of scripture prayer and reflection with a small group you will journey toward christlikeness

On Laudianism 2023 the model rules of professional conduct provides an up to date resource for information on legal ethics federal state and local courts in all jurisdictions look to the rules for guidance in solving lawyer malpractice cases disciplinary actions disqualification issues sanctions questions and much more in this volume black letter rules of professional conduct are followed by numbered comments that explain each rule s purpose and provide suggestions for its practical application the rules will help you identify proper conduct in a variety of given situations review those instances where discretionary action is possible and define the nature of the relationship between you and your clients colleagues and the courts

Crafting a Rule of Life 2012-02-24 through a focus on singapore this book presents an analysis of authoritarian legalism showing how prosperity public discourse and a rigorous observance of legal procedure enable a reconfigured rule of law liberal form but illiberal content it shows how institutions and process become tools to constrain dissenting citizens while protecting those in political power

Sir Francis Windebank and the personal rule of Charles I 1979 a revealing look at the role kin based societies have played throughout history and around the world a lively wide ranging meditation on human development that offers surprising lessons for the future of modern individualism the rule of the clan examines the constitutional principles and cultural institutions of kin based societies from medieval iceland to modern pakistan mark s weiner an expert in constitutional law and legal history shows us that true individual freedom depends on the existence of a robust state dedicated to the public interest in the absence of a healthy state he explains humans naturally tend to create legal structures centered not on individuals but rather on extended family groups the modern liberal state makes individualism possible by keeping this powerful drive in check and we ignore the continuing threat to liberal values and institutions at our peril at the same time for modern individualism to survive liberals must also acknowledge the profound social and psychological benefits the rule

of the clan provides and recognize the loss humanity sustains in its transition to modernity masterfully argued and filled with rich historical detail weiner s investigation speaks both to modern liberal societies and to developing nations riven by clannism including muslim societies in the wake of the arab spring

The Governing of a City During the Personal Rule of Charles I 2003 this is an exciting collection of essays on the rule of charles i at a time of fundamental importance to english history it combines the work of historians with academics from literary studies to provide an interdisciplinary examination of the culture and political life of the decade the chapters focus on issues in politics religion the monarchy and culture as well as literature and art history essays examine everything from the king s correspondence to the role of consort queens at court and opposition to the king in libel satire and on the stage many historians assert that it was charles s inept and dangerous policy of personal rule which was responsible for putting the country on the road to civil war this book will be invaluable for students and lecturers seeking to better understand the causes of the conflict

Model Rules of Professional Conduct 2007 this book is an innovative analysis of regime maintenance and transformation in malaysia it goes beyond familiar approaches centred on communal politics or the corporate workings of malaysia inc to stress the importance of power maintenance tracing a path from consociational bargaining to authoritarian umno dominance to dr mahathir s personal dominance

Authoritarian Rule of Law 2012-04-16 why our workplaces are authoritarian private governments and why we can t see it one in four american workers says their workplace is a dictatorship yet that number almost certainly would be higher if we recognized employers for what they are private governments with sweeping authoritarian power over our lives many employers minutely regulate workers speech clothing and manners on the job and employers often extend their authority to the off duty lives of workers who can be fired for their political speech recreational activities diet and almost anything else employers care to govern in this compelling book elizabeth anderson examines why despite all this we continue to talk as if free markets make workers free and she proposes a better way to think about the workplace opening up space for discovering how workers can enjoy real freedom

Before the English Civil War 1984 from the writings of an early modern nobody emerges a compelling study of the puritan psyche and way of life woodford s noteworthiness lies in the sheer consistency of his outlook every aspect of experience from thoughts and feelings to the operation of the cosmos was scrutinized through the same lens of experimental predestinarianism his calvinist worldview centred on the belief in an omnipotent and omniscient creator whose will dictated the history of the universe woodford apparently supported the full supralapsarian position on predestination god had determined mankind s fate before the creation for purely his own reasons condemning the majority to hell and electing a minority to heaven godly professors such as woodford insisted on the possibility of achieving assurance of their elect status during life p 11

The Rule of the Clan 2013-03-12 jonas of bobbio s life mirrored many of the transformations of the seventh century while his three saints lives provide a window into the early medieval age of saints and the monastic and political worlds of merovingian gaul and lombard italy

The 1630s 2013-02-05 charles i provides a detailed overview of charles stuart placing his reign firmly within the wider context of this turbulent period and examining the nature of one of the most complex monarchs in british history the book is organised chronologically beginning in 1600 and covering charles early life his first difficulties with his parliaments the personal rule the outbreak of civil war and his trial and eventual execution in 1649 interwoven with historiography the book emphasises the impact of charles challenging inheritance on his early years as king and explores the transition from his original championing of international protestantism to his later vision of a strong and centralised monarchy influenced by continental models which eventually provoked rebellion and civil war across his three kingdoms this study brings to light the mass of contradictions within charles nature and his unusual approach to monarchy resulting in his unrivaled status as the only english king to have been tried and executed by his own subjects offering a fresh approach to this significant reign and the fascinating character that held it charles i is the perfect book for students of early modern britain and the english civil war

Personalized Politics 2003-10-13 this revised and expanded second edition of african politics in comparative perspective reviews fifty years of research on politics in africa and addresses some issues in a new light keeping in mind the changes in africa since the first edition was written in 2004 the book synthesizes insights from different scholarly approaches and offers an original interpretation of the knowledge accumulated in the field goran hyden discusses how research on african politics relates to the study of politics in other regions and mainstream theories in comparative politics he focuses on such key issues as why politics trumps economics rule is personal state is weak and policies are made with a communal rather than an individual lens the book also discusses why in the light of these conditions agriculture is problematic gender contested ethnicity manipulated and relations with western powers a matter of defiance

Private Government 2019-04-30 the noted legal scholar richard epstein advocates a much smaller federal government arguing that our over regulated state gives too much discretion to regulators which results in arbitrary unfair decisions and other abuses epstein bases his classical liberalism on the twin pillars of the rule of law and of private contracts and property rights

The Diary of Robert Woodford, 1637-1641 2012 in the climactic part of his three book series exploring the importance of public image in the tudor and stuart monarchies kevin sharpe employs a remarkable interdisciplinary approach that draws on literary studies and art history as well as political cultural and social history to show how this preoccupation with public representation met the challenge of dealing with the aftermath of cromwell s interregnum and charles ii s restoration and how the irrevocably changed cultural landscape was navigated by the sometimes astute yet equally fallible stuart monarchs and their successors

Jonas of Bobbio and the Legacy of Columbanus 2018 death is inevitable but a meaningful life is not you may find yourself in a life that is far less than you want it to be but if you really want to live life in the abundance spoken of in the bible this book is for you saying you are a christian is one thing living the abundant christian life is another if you are like most of us you need more focused help in meeting the daily challenges of living in a secular society your values and priorities can quickly be compromised by the challenges temptations and even opportunities that steal your life away a clearly defined and developed rule for life equips you to face these risks more confidently a rule for life is a written set of guidelines and priorities which provide the structure for christian spiritual life and growth this book will help you develop a christian worldview and shape your maturity as a person of faith begin to explore the importance of spiritual disciplines and how to incorporate them into your daily life

Charles I 2020 donald davidson has prepared a new edition of his classic 1980 collection of essays on actions and events including two additional essays this seminal work on the nature of human action features influential discussions of such topics as freedom to act weakness of the will the logical form of talk about actions intentions and causality the logic of practical reasoning hume s theory of the indirect passions and the nature and limits of decision theory a classic in its field p f strawson donald davidson has prepared a new edition of his classic 1980 collection of essays on actions and events including two additional essays in this seminal investigation of the nature of human action davidson argues for an ontology which includes events along with persons and other objects certain events are identified and explained as actions when they are viewed as caused and rationalized by reasons these same events when described in physical biological or physiological terms may be explained by appeal to natural laws the mental and the physical thus constitute irreducibly discrete ways of explaining and understanding events and their causal relations among the topics discussed are freedom to act weakness of the will the logical form of talk about actions intentions and causality the logic of practical reasoning hume s theory of the indirect passions and the nature and limits of decision theory the introduction cross references and appendices emphasize the relations between the essays and explain how davidson s views have developed

African Politics in Comparative Perspective 2013 winner of the frank s and elizabeth d brewer best first book prize of the american society of church history named a society for u s intellectual history notable title in american intellectual history the story of liberal religion in the twentieth century matthew s hedstrom contends is a story of cultural ascendancy this may come as a surprise most scholarship in american religious history after all equates the numerical decline of the protestant mainline with the failure of religious liberalism yet a look beyond the pews into the wider culture reveals a more complex and fascinating story one hedstrom tells in the rise of liberal religion hedstrom attends especially to the critically important yet little studied arena of religious book culture particularly the religious middlebrow of mid century as the site where religious liberalism was most effectively popularized by looking at book weeks book clubs public libraries new publishing enterprises key authors and bestsellers wartime reading programs and fan mail among other sources hedstrom is able to provide a rich on the ground account of the men women and organizations that drove religious liberalism s cultural rise in the 1920s 1930s and 1940s critically by the post wwii period the religious middlebrow had expanded beyond its protestant roots using mystical and psychological spirituality as a platform for interreligious exchange this compelling history of religion and book culture not only shows how reading and book buying were critical twentieth century religious practices but also provides a model for thinking about the relationship of religion to consumer culture more broadly in this way the rise of liberal religion offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times

Sir Francis Windebank and the Personal Rule of Charles I. 1978 in the 1970s and 1980s west germany was a pioneer in both the use of the new information technologies for population surveillance and the adoption of privacy protection legislation during this era of cultural change and political polarization the expansion bureaucratization and computerization of population surveillance disrupted the norms that had governed the

exchange and use of personal information in earlier decades and gave rise to a set of distinctly postindustrial social conflicts centered on the use of personal information as a means of social governance in the welfare state combining vast archival research with a groundbreaking theoretical analysis this book gives a definitive account of the politics of personal information in west germany at the dawn of the information society
