the life of the visionary conservationist who created the appalachian trail is chronicled in this first rate biography of a unique american thinker mark harvey journal of american history born in 1879 wilderness society cofounder benton mackaye was a pioneer in linking the concepts of preservation and recreation spanning three quarters of a century his career had a major impact on emerging movements in conservation environmentalism and regional planning mackaye s seminal ideas on outdoor recreation wilderness protection land use planning community development and transportation have inspired generations of activists professionals and adventurers seeking to strike a harmonious balance between human need and the natural environment this pathbreaking biography provides the first complete portrait

of this significant figure in american environmental intellectual and cultural history drawing on extensive research larry anderson traces mackaye s extensive career examines his many published works and describes the importance of mackaye s relationships with such influential figures as lewis mumford aldo leopold and walter lippmann

A City Mismanaged

2019-11-01

this is the story of admiral sir john balchen his life and career and hms victory the largest finest ship of the line in the royal navy at the time which he commanded when both were lost along with more than 1 000 crew in an october storm in the english channel in 1744 this is not the victory of trafalgar fame however but the first rate built some thirty years earlier the last royal navy three decker to carry bronze cannons and a ship whose poor design may well have contributed to her loss it is also the story of admiral john balchen a courageous if not heroic naval officer who saw major engagements and whose legacy in naval development deserves greater recognition indeed the story of both the ship and her commander their individual and remarkably parallel lives can now be revealed as fundamental catalysts to the revolutionary reforms in naval shipbuilding design and dockyard administration that transformed the royal navy after 1745 they were indeed major foundation stones for a navy that delivered the glorious achievements of nelson anson howe hood rodney boscowen and many more in the great pantheon of british naval history that followed their loss the exciting discovery of the wreck of hms victory in 2008 the subsequent and continuing public and political wrangling over possible salvage and the 2019 display at portsmouth of a mighty 42 pounder bronze gun retrieved from the wreck have been the catalyst for this history of the admiral and his ship and anyone with an interest in naval or maritime history whether academic or popular will be fascinated by the facts about the hitherto virtually unknown predecessor of nelson s great flagship this glorious man and ship odyssey whose intrinsic importance to naval history can now be recognised is richly and compelling told in this important new book

bonwick brings together related elements that have been treated separately on previous occasions english radicals as personalities their relations with one another their connections with americans the imperial controversy between england and the colonies the movement for parliamentary reform in england and the campaign for civil rights for dissenters the study brings fresh meaning to english radicalism and ideas about liberty during the revolutionary era originally published 1977 a unc press enduring edition unc press enduring editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print these editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Summary of World Broadcasts

1974-06

the irish contribution to world theatre is famous but today awareness of irish theatrical activity is chiefly confined to the modern period this book corrects that imbalance with an unparalleled study of the early history of drama and performance in ireland from the seventh century through the sixteenth and seventeenth centuries and ending on the eve of the arrival of oliver cromwell the work of professional entertainers is discussed as is that of amateurs in theatricals sponsored by churches guilds civic authorities and aristocratic patrons drawing on a wide variety of sources many unpublished alan fletcher

opens up a vibrant but forgotten irish landscape in which drama and performance collaborated actively in the mapping and manufacture of social history modern irish drama is acknowledged as having a rich and vibrant tradition drama performance and polity in pre cromwellian ireland helps to show how that vibrant tradition of drama and theatre has a very long history dr fletcher deals not only with performance traditions outside the pale in the sixteenth and seventeenth centuries but for the first time delves into such traditions as can be gleaned about gaelic ireland during the preceding millennium fletcher surveys the native traditions beyond the pale early and sixteenth century activities within dublin kilkenny drama provincial centres outside dublin and dublin in the seventeenth century up to the arrival of oliver cromwell when the irish theatres were closed

rpsc ras rts general knowledge and general science preliminary examination 1995 2021 solved papers the all new edition of rpsc ras rts solved papers is a beneficial resource of study designed for the aspirants which includes a collection of solved papers from preliminary and main examinations focus of the book analyzing the pattern of examination checking the frequency of topics book features last years solved papers from 1995 to 2021 answers compiled with explanations lucid language usage easy and thorough learning exhaustive revision this book focuses on providing a deeper insight into the level of examination thereby instilling confidence in the aspirants with provision of collection of ample last years solved papers the student can prepare well without hassle and anxiety last years examination question papers are also useful in predicting the upcoming questions on solving each question paper the students can recognize what concepts are difficult in order to work on them more therefore this book also carries features of revision and self assessment present in these papers solving the papers will enable the aspirants to gauge their progress as well as prepare accordingly on simple and complex topics simultaneously and thus scoring well

Drama and the Performing Arts in Pre-Cromwellian Ireland

1864

millions of people recognize the religious painting known as Head of Christ of which an estimated five hundred million prints have been sold very few however know the artist Warner E. Sallmann. Sallmann's lack of notoriety in professional art circles can be explained by the fact that he made little or no attempt to put himself forward as a Chicago or even a Swedish American artist. He had no exhibitions of his works and his public life consisted largely of appearances before church and community groups to do chalk drawings. More important was his attitude regarding personal fame. Sallmann let the Christ he painted be in the foreground while the artist remained in the background. The time has come, argues Jack Lundbom, for a broader public to know the man who stands behind the painting and the other artwork bearing the Sallmann signature. Master Painter is a fascinating story of a gifted man with humble beginnings who overcame disappointment, ill health, and personal limitations in order to live out a vision that his art serve not only for the enjoyment of humankind but the practical end of instructing persons in the ways of God. Readers who know the art can now know the artist. It is a story eminently worth telling and one a broad public will be interested to know.
