English Russian 500 Flashcards with Pictures for Babies

2019-07-20

flash cards are an easy and interesting way for your children to recognize the world around them. Approved worldwide by child psychologists, teachers, and parents themselves, flashcards are ideal for very young children and those up to 7 years of age during a child's formative years. Developmental cards are almost a necessity and not just for entertainment; flashcards are great for games and just starting conversations with your child. It's long been known that the key to developing a child's intellectual abilities is their personal perception and experiences during the first five years of life. By showing your child these cards, you'll stimulate brain activity, better develop your child's logical thinking, improve their memory and attention span, and develop reading skills faster than their peers. It's easy to teach your child with these cards, and regular studies are essential. Product details: 500 basic words with pictures, flashcards, black and white, printed on bright white smooth paper, premium matte cover finish, perfect for all lettering mediums, large format 8.5 x 11.0 (215mm x 280mm), pages.
