are you saved born again but you have a brother whom you love so dearly who haven t surrendered his life to jesus and you would love to get and see him saved do you fear what might happen to him if he doesn t repent and dies in his sin have you prayed for him and it seems that the more you pray the worst he becomes do you desire a word of god based way of praying that is tested proven and effective that you can engage and invest yourself in for the salvation of your brother then this simple but powerfully loaded prayer guide is for you family is strong and no member of any family who understands the bond of family love and is saved born again would remain indifferent and

carefree seeing and having a member of his family unsaved as a female figure amongst your parent s children and having given your life to jesus you would not want to see and have a brother whom you love so dearly that has not surrendered his life to the salvation that jesus provides probably you have preached to your brother and even prayed for him but he is nothing bettered this can be the case if you don t know how to pray the right way the fact is god would do nothing outside his word because god is the word john 1 1 god saves heals blesses prospers delivers and performs miracles based on what he has spoken god also answers prayers based on his word jesus has paid the price for the salvation of mankind but we are told that the god of this world has blinded men kept them in unbelief and sin so as to keep them from receiving the salvation of the lord and be saved 2 corinthians 4 4 it takes supernatural understanding of this to know that the problem is not with your brother but with the devil but you have to learn how to pray the right way to get the devil off your brother s life and release him to receive the salvation of the lord to help you successfully engage in this mission of praying and actually getting your brother saved as a result i have written this book it contains tested effective and proven spiritual warfare prayers against the devils of sin unbelief rebellion and bondage that have been assigned to keep your brother from being saved it doesn t end there it also contains powerful word of god based intercessory prayers with supernatural word of god based decrees confessions and declarations you can make to bring about the salvation of your brother with certainty you will also learn how to apply and activate the send someone principle with word of god based prayer points you can use to pray and release the power of the lord of the harvest to prepare and send someone somewhere whom the lord has prepared just for your brother to preach and minister the gospel and salvation to him this is the someone whom god has ordained that your brother would listen to this is the someone through whom your brother would be saved praying this way would guarantee that your brother is not lost that the power of the devil is broken in and over his life and that your brother gets saved in the name of jesus many all around the world as we go about ministering have experienced the manifestation of the miracle salvation power of god for their loved ones just praying these prayers when we suggest and offer it to them and it is your turn to experience same for the salvation of your brother i encourage you today not to wait any longer get this prayer guide and start praying for your brother s salvation
