The Crime of Curing 2018-01-29

imagine if you were able to tune up your body when it felt sluggish and unresponsive and maintain it generally the way you do your car your body and your car function similarly in that they need air fuel and spark there is one other thing that they should have in common and that is maintenance sadly and for reasons quite sinister we are not given the opportunity or any encouragement to maintain our bodies we have entrusted our health to people who actually do not want us to be healthy they are the pharmaceutical industry also known as big pharma it has been said that the truth shall set us free this

book was written with the intention to set you free from the lies deception and harm being metered out to you and your loved ones by people who depend on keeping you sick and miserable in order to make incalculable amounts of money yes we are being farmed like animals by the medical profession who are killing the people who believe they are being helped chemotherapy is just one example vaccines are another

Dr. Sixth 2018-01-29

the greatest mash up in the whoniverse continues doctor who meets roger hargreaves mr menin this series of fun and charming stories written and illustrated by adam hargreaves in the eleventh book of the series join another doctor and his friends as they face a perilous adventure through time and space
