Beyond The Lines: An Autobiography

2012-08-10

a veteran journalist and former member of parliament kuldeep nayar is india s most well known and widely syndicated journalist he was born in sialkot in 1923 and educated at lahore university before migrating to delhi with his family at he time of partition he began his career in the urdu newspaper anjam and after a spell in the usa worked as information officer of lal bahadur shastri and govind ballabh pant he eventually became resident editor of the statesman and managing editor of the indian news agency uni he corresponded for the times for twenty five years and later served as indian high commissioner to the uk during the v p singh government his stand for press freedom during the emergency when he was detained his commitment to better relations between india and pakistan and his role as a human rights activist have won him respect and affection in both countries author of more than a dozen books his weekly columns are read across south asia

Between the Lines

2014

account of an indian journalist imprisoned during emergency 1975

In Jail

1978

revelatory narration of the nineteen dark months of emergency in india

The Judgement

1977

in a distinguished career spanning sixty years veteran journalist political commentator and author kuldeep nayar has seen and reported it all from his vantage point at the forefront of every ground breaking news event in close proximity to the people in power kuldeep nayar s

articles are all the more interesting as they are first hand accounts of historic political events informed with personal insights into the motives and machinations that conspired to bring them about from personal encounters with gandhi jinnah nehru and interviews with mountbatten and radcliffe to the 1965 indo pak war and its aftermath the 1969 congress split and the liberation of bangladesh this book is a compendium of the most important news stories to break over the last sixty years told by a man with access to the people in power and who in his capacity as information officer also influenced these decisions

Emergency Retold

2013

bhagat singh 1907 1931 lived at a time when india s freedom struggle was beginning to fl ag and when mahatma gandhi s non violent passive resistance to partial liberation was beginning to test the patience of the people the youth of india was inspired by bhagat singh s call to arms and enthused by the defiance and dare devilry of the army wing of the hindustan socialist republican association to which he and his comrades sukhdev and rajguru belonged his call inquilab zindabad became the war cry of the fi ght for freedom when bhagat singh was executed by the british after a sham trial for his involvement in the lahore conspiracy case at the age of twenty three he was glorifi ed by the indians as a martyr for his youth his heroism and his steadfast courage in the face of certain death it was only many years later after independence in 1947 that his jail writings came to light today it is these works that set bhagat singh apart from the many revolutionaries who laid down their lives for india they reveal him as not just a passionate freedom fighter who believed in the cult of the bomb but a widely read intellectual inspired by the writings of among others marx lenin bertrand russell and victor hugo a revolutionary whose vision did not end with the ouster of the british but who looked further towards a secular socialist india in this book commemorating the hundredth birth anniversary of this iconic young man kuldip nayar takes a close look at the man behind the martyr his beliefs his intellectual leanings his dreams and his despair the book explains for the first time why hans raj vohra turned approver and betrayed bhagat singh and throws new light on sukhdev whose loyalties have been questioned by some historians but most of all it puts in perspective bhagat singh s use of violence so strongly condemned by gandhi and many others as being extremist bhagat singh s intent was never to kill the largest number or strike terror in the hearts of the british through the gruesomeness of his attacks his fearlessness was not fuelled by the empty bravura of guns and youth it was held together by the wisdom of his reading and the strength of his beliefs

Scoop! : Inside Stories From The Partition To The Present

2006-08-30

narrative of political events in india 1964 1975

India; the Critical Years

1971

autobiography of an indian journalist author diplomat and parliamentarian

Without Fear

2012-02-20

a legendary journalist s close encounters and candid profiles of the powerful the famous the glamorous and the rich from nehru jinnah and sheikh abdullah to meena kumari indira gandhi and narendra modi in this frank and freewheeling narrative kuldip nayar recounts his experiences of meeting many of the men and women who shaped the destiny of pre and post independence india revealing hitherto unknown aspects of their personalities and shedding light on many key events in the country was nehru a secret dynast who had only his daughter indira gandhi in mind as his successor what role did nayar himself play in lal bahadur shastri s election as prime minster after nehru s death why did khan abdul ghaffar khan revered as the frontier gandhi refer to indians as baniyas and who did zulfikar ali bhutto think should be the prime minister of the entire subcontinent india pakistan and bangladesh interspersed with these political reminiscences are delightful accounts of meena kumari s encounter with shastri on the sets of pakeezah and faiz ahmed faiz s flawless recitation of his great poetry even after consuming a full bottle of black dog whiskey nayar does not fight shy of expressing his opinions be it a comparison of jrd and ratan tata advice for narendra modi or reflections on the shape of indo pak relations had mahatma gandhi and mohammed ali jinnah lived longer in this absorbing and entertaining book which he finished only weeks before he passed away kuldip nayar writes in the grand old tradition of journalists who were not afraid to tell it like it is

Distant Neighbours

1972

report fashioned out of visits and interviews by an indian journalist

India After Nehru

1975

when bhagat singh was executed by the british after a sham trial for his involvement in the lahore conspiracy case at the age of twenty three he was glorified by the indians as a martyr for his youth his defiance and his reckless bravery it was only many years later after independence in 1947 that his writings came to light today it is these that set bhagat singh apart and reveal him as not just a hot headed revolutionary who believed in the cult of the bomb but a widely read intellectual inspired by the writings of marx and lenin to whom the betterment of indian society was as important as the ouster of the british in this book commemorating the hundredth birth anniversary of this iconic young man kuldip nayar takes a close look at the man behind the martyr his beliefs his intellectual leanings his dreams and his despair he also explains why hans raj vohra betrayed bhagat singh and his comrades and throws new light on sukhdev whose loyalties have been questioned by some historians

Tragedy of Punjab

1984

bhagat singh spent the last two years of his life in jail awaiting execution during this time he and his comrades fought one of the most celebrated court battles in the annals of national liberation struggles and used the court as a vehicle for the propagation of their revolutionary message they also struggled against the inhuman conditions in the colonial jail and faced torture and pain their heroism made them icons and figures of inspiration for generations to come all this is well known what is not so well known is that bhagat singh wrote four books in jail although they were smuggled out they were destroyed and are lost forever what survived was a notebook that the young martyr kept in jail full of notes and jottings from what he was reading in the year of his birth centenary leftword is proud to present his notebook in an elegant edition this edition has been checked against the copy preserved in the national archives of india the notebook is richly annotated by bhupender hooja and the annotations have been revised and updated for this edition also included are the most important texts that bhagat singh wrote in jail chaman lal s lucid introduction the new york daily worker s reports and periyar s editorial on the hanging provided by publisher

Beyond the Lines

2012

in tales of two cities two eminent journalists kuldip nayar and asif noorani give their personal accounts of the partition of india the killings and massive migrations which it provoked and their subsequent impact on indo pakistan relations as a young law graduate kuldip nayar witnessed at first hand the collapse of trust between communities in sialkot and was forced to migrate with his family to delhi across the blood stained plains of punjab he vividly describes his own perilous journey and his first job as a young journalist in an urdu newspaper reporting on gandhi s assassination asif noorani while still a schoolboy in bombay set off with his family by steamer across the arabian sea for the promised land of pakistan ultimately settling in karachi he gives his own compelling account of the difficulties faced by the new arrivals and the slow emergence of today s megacity with its dominant mohajir culture both authors write with authority about their ancestral homes and their adopted cities which have played so large a role in bilateral relations this is a book about a trauma which transformed the subcontinent and still exerts a powerful influence today these are personal narratives bringing to life a lost world of harmonious relations which each author in his own way is still to recreate

Distant Neighbours

1972

this collection of jean drèze s essays offer a unique insight on issues of hunger poverty inequality corruption conflict and the evolution of social policy in india over the last twenty years sense and solidarity enlarges the boundaries of social development towards a broad concern with the sort of society we want to create

tavleen singh s acclaimed and bestselling memoir begins in the summer of 1975 when not yet twenty five she started working as a junior reporter in the statesman in new delhi within five weeks prime minister indira gandhi declared the emergency and soon reckless policies said to be authored by her younger son were unleashed on india s citizens in 1984 following indira gandhi s assassination rajiv gandhi became prime minister fortified by a huge mandate from a nation desperate for change but belying its hopes the young leader chose for himself a group of advisors friends and acolytes just as unaware as him of the ground realities of a complex nation it was the beginning of a political culture of favouritism and ineptitude that would take hold at the highest levels of government stunting india s ambitions and frustrating its people for years to come a sharp account of these turbulent years durbar describes the nehruvian era of singh s childhood the emergency of her youth and the political shifts that followed bringing with them insurgencies massacres and crises internal and external this remarkable memoir vivid with the colour of election campaigns and society dinners low conspiracies and high corruption reminds us of this truth that if india is to achieve a better future the past cannot be ignored or forgotten

Rice

2000

as recently as a decade ago the prospect of india becoming a developed country any time soon seemed a distant possibility since then however there has been a sea change in our own and the world rsquo s perception about our future what explains this rising tide of optimism and how far is it justified in the future of india bimal jalan former governor of the reserve bank of india takes up the formidable challenge of examining the nuts and bolts of this proposition in his thought provoking clear sighted analysis he argues that it is the interface between politics economics and governance and their combined effect on the functioning of our democracy which will largely determine india rsquo s future an understanding of this interface will help explain the swings in india rsquo s political and economic fortunes over the past decades and why the promise has been belied in the light of experience argues jalan there is no certainty that the present euphoria will last unless there is the political will to seize the new opportunities that are available he proceeds to suggest steps that can be taken to smoothen our path to progress ways to strengthen parliament and the judiciary a series of political reforms that would among other things see greater accountability among ministers and effective ways to curb corruption and enhance fiscal viability in all these there is an emphasis on the pragmatic born of jalan rsquo s experience as an administrator economist and member of parliament contemporary and topical the future of india politics economics and governance perhaps more than any other book on the subject shows just how a future close enough to be seen need not forever remain elusive to the grasp

Tragedy of Punjab

1985

a reappraisal of the tumultuous partition and how it ignited long standing animosities between india and pakistan this new edition of yasmin khan s reappraisal of the tumultuous india pakistan partition features an introduction reflecting on the latest research and on ways in which commemoration of the partition has changed and considers the partition in light of the current refugee crisis reviews of the first edition a riveting book on this terrible story economist unsparing provocative and painful times london many histories of partition focus solely on the elite policy makers yasmin khan s empathetic account gives a great insight into the hopes dreams and fears of the millions affected by it owen bennett jones bbc

aruna roy resigned from the ias in 1975 to work with peasants and workers in rural rajasthan in 1990 she helped co found the mazdoor kisan shakti sangathan mkss the mkss struggles in the mid 90s for wages and other rights gave birth to the now celebrated right to information movement aruna continues to be a part of many democratic struggles and campaigns this book is a collective history that tells the story of how ordinary people can come together and prevail against great odds to make democracy more meaningful

Bhagat Singh The Eternal Rebel

2021-02-01

a definitive analytical and meticulous account of the present state of the nation from a constitutional perspective by one of india s most respected legal luminaries an ardent defender of the constitution of india fali nariman has today attained the status of an outstanding lawyer who strongly believes in the rule of the law and stands by his convictions in this timely volume the author highlights crucial issues that the legislature the executive judiciary the bar and the common people have to deal with virtually on a day to day basis his main focus is on corruption at various levels and in hallowed institutions including the judiciary the author contends that the legislative and executive wings of the government the elected representatives of the people were and are expected to provide for the welfare of the people he points out that they have failed miserably simply because making of laws is not enough applying and enforcing laws which are also the primary duties of the government have left much to be desired consequently it is the judiciary that tells the government when and how to distribute excess food what crops to grow and what not to grow which economic projects are good for the country and which are not and what fuel should be used in our vehicles and whether 2g 3g licences should be allotted only through auctions the judiciary is hence accused of overreach the contents also throw light on other important subjects such as the implications of reservations for certain sections of the population including minorities the true purpose and significance of the constitution centre state relations and whether the constitution has benefited the common people over the years this is a book that is absorbing as well as thought provoking that will make the readers put on their thinking caps

Advances in Remote Sensing for Natural Resource Monitoring

2017-06-29

louis fischer famous international reporter was permitted a week in the guest house near gandhi s headquarters and daily interviews with the great indian leader he kept virtually a stenographic report of his conversations livened with personal comments swift pen pictures of gandhi and his followers as he encountered them that week last june one follows the workings of gandhi s mind which as fischer says is the reason for misapprehension only too often for gandhi thinks and speaks simultaneously and sometimes subsequent statements seem to contradict previous ones while actually he has simply shared his process of reasoning to a point with his hearers the most striking evidence of this during fischer s stay was his expansion of his basic position to indicate that he had reluctantly reached a point of accepting the inevitability of india continuing to be a military base for united nations he supplemented other much quoted statements too for instance that dealing with him negotiations with japan once india was free which he said he would like to think possible but realised would not be possible he and nehru agree in feeling that religious differences will be merged once freedom is granted that pakistan is only a bargaining card with england and so on exciting reading as yet another facet of this tragic complex problem fits into pattern with mitchell and raman kirkus reviews
